DeColores,

This past Tuesday Night the Orlando English Speaking Cursillo Secretariat held our monthly meeting. During that meeting we had a long and detailed conversation regarding the path to follow to achieve that mission during this turbulent time. We discussed the pros and cons of proceeding or waiting to hold the upcoming Three-Day Retreats. We reviewed the Cursillo movements status around the world. We discussed the potential risks versus rewards, Our call to evangelize, The trends and predictions of the medical community, The quality and quantity of facts known regarding the variants, The willingness of team and candidates to participate at this time, and The legalities and logistics for the team, the candidates, and the movement. At the end of that discussion, we decided it would be best to postpone the Fall Cursillo weekends until the Spring. This decision was not made lightly, and I know and trust the Holy Spirit guided our hearts and our discussion!

We have asked Jeff Strobel and Heidi Lott to remain on the docket as Rector and Rectora for Men's #104 and Women's #112. The new dates for these 3-Day Cursillo events will be March 10 – 13, 2022 and March 24 – 27, 2022 respectively.

Please continue to pray for Jeff and Heidi and their teams as well as all the candidates and potential candidates out there.

Much Love and prayers to all current and future Cursillistas.

Your Brother in Christ,

Dennis Lobmeyer, Lay Director.
